From the Principal

It was great to see many of our parents and carers visiting the school on Monday August 6th for Student Support Meetings. These meetings are an important way for you to keep up to date with your child’s program and progress so if you were unable to make it to a meeting on Monday please contact your child’s teacher to arrange another time. Teachers would be happy to hear from you.

Please Help Us with the Parent Opinion Survey

Parent Opinion Surveys will remain open until August 26th. Sorry it is only available on-line. We really need parents to do these surveys please. Very few parents responded last year and we need your feedback. This year teachers have made a greater effort to explain to families how their child’s progress is assessed

and how this information is used to set starting points for teaching. We need to see if our efforts have been successful and we do value your opinion in shaping our school direction. So please complete the Parent Opinion Survey.

Book Week Parade & Activity – Thursday August 23rd 10.00am

Terang campus students will dress as their favourite book character as they celebrate ‘Book Week’. Parents are welcome to attend their parade and activity at the Terang campus 10.00am.

Dental Van

The Dental Van will be visiting the Cobden campus in the coming weeks. The first examinations took place on Wednesday August 8th and the team will return to carry out any necessary dental work from August 27th to September 7th.

Soup Group

A reminder that Men’s Group are selling hot soup and a roll for lunch every Tuesday this Term. The cost is \$3 and funds go towards the group’s end of year activity day.

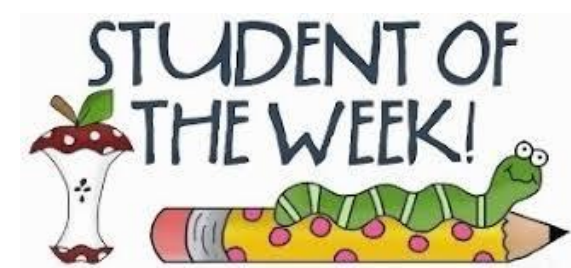

EXTRA-CURRICULAR PROGRAMS

Passport 2 Employment

This seven-week program runs annually and is based at South West TAFE in Warrnambool. Students learn valuable skills related to the world of work and become familiar

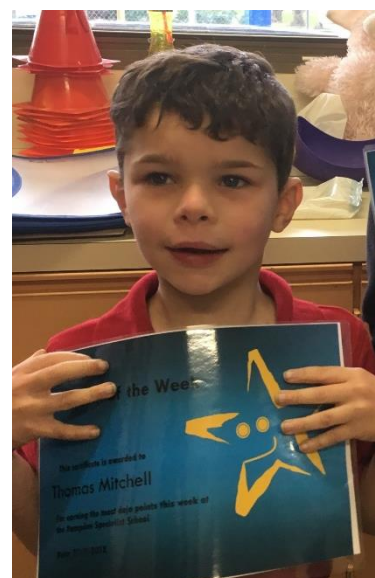

with many services in our area that can assist with finding employment. We have six senior students attending Passport 2 Employment this term. This week the students looked at the importance of keeping fit and having a healthy diet. The session took place at Aquazone.
