Monday May 20	School Photos

From the Principal

I hope everyone has had a restful holiday and an enjoyable Easter and the Easter Bunny found everyone! The beginning of the term has had a topsy turvy start with two public holidays but everyone has adjusted well and are working hard. Congratulations to our school captains who have represented our school proudly at the Terang and Cobden Anzac Day Services.

School Review

Every 4 years all Victorian schools undertake a school review which is a rigorous process to review the last 4 years of the schools Strategic Plan. This process explores the achievements of the school and identifies areas for improvement. Parents, students, staff and the wider community will be called upon to contribute to aspects of the review. This is an excellent opportunity to identify areas we need to improve on in our next 4 year plan.

State Swimming

Congratulations to Jesse Duke and Emma Daffy who represented the school last Wednesday in Melbourne at the State Swimming Sports. Jesse came a respectful 6th in the backstroke and Emma competed in the freestyle, backstroke and breast stroke with some notable finishes- two 6ths and a 5th. To make the State Swimming sports is impressive but to come out with such inspiring results against the states' best is a credit to you both.

Mother's Day

On Tuesday 7th May Terang Campus are having their annual Mother's Day morning tea and activity. All mothers, aunts, grandmothers, guardians are invited at 10:00 to attend their child's classroom and participate in an art lesson followed by a delicious morning tea. All our students look forward to this day as they love having the special people in their lives at school it would be fantastic to see everyone there.

On Wednesday 8th May Terang College have kindly invited us to their Mother's Day stall. Please send \$4.00 if you would like your child to purchase a small gift.
